RESOLUTION SUPPORTING THE DEVELOPMENT RIGHTS OF CHILDREN IN THE MUNICIPALITY OF MANGALDAN, PANGASINAN.

WHEREAS, children must be able to live in a nurturing environment for them to realize their full potential and to meaningfully participate in society;

WHEREAS, a child is an adult of tomorrow. Education and development are essential rights, this should begin with the right to access to early childhood development services and access to information from various sources with parents responsible for giving guidance;

WHEREAS, the development rights of a child compose of different forms of education (formal or non-formal), primary health care, leisure and recreation, cultural activities and the right to a standard of living that is adequate for the child's physical, mental, spiritual, moral and social development;

WHEREAS, the LGU recognize the fundamental human dignity of all children and the urgency of ensuring their well-being and development. A basic quality of life should be the right of all children rather than a privilege enjoyed by a few;
